**Jamestown Exposition, Norfolk, Virginia, 1907.**  
**The Jamestown Dental Convention, Norfolk, Virginia,**  
**September 10—12 th. 1907.**

### Committee on Organization:

Burton Lee Thorpe, Chairman, St. Louis, Mo.

R. H. Walker, Norfolk, Va.

Thos. P. Hinman, Atlanta, Ga.

Clarence J. Grieves, Baltimore, Md,

H. Wood Campbell, Secretarg., Suffolk, Va.

F. W. Stiff, Treasurer., Richmond, Va.

J. E. Chace, Ocala, Fla.

The Jamestown Dental Convention will be held in an especially equipped building on the Exposition Grounds, which was built for the purpose of accomodating this convention, the building is equipped with an auditorum committee room, and excellent facilities for conducting dental clinics and for holding exhibits. All of these will be held in this building. The entrance to the building is outside of the grounds, however, one may obtain access to the grounds through it. The building is wired with both direct and alternating current, equipped with running-water, well lighted and contains all modern conveniences, thus making it an ideal convention hall. The exhibits are

under the management of Dr. John W. Manning, Bank of Commerce Bldg., Norfolk, Va. To him exhibitors should apply for space at once. Price per foot and a plat of the hall will be sent upon request. The clinics are under the supervision of, Dr. C. J. Grieves, Park & Madison Aves., Baltimore, Md. His assistants are, Drs. Baskerville Bridgeforth, Richmond, Va. E. J. Tucker, Roxboro, N. C. Herbert Johnson, Macon, Ga. F. A. Bowles, Washington, and Joseph T. Meadors, Nashville, Tenn. The prospects are that the Jamestown clinic will be the largest and most complete dental clinic ever held. Assistant chairmen have been appointed in each state in the Union and nearby countries, viz: Canada, Mexico, Cuba, and Hawaii. From these come reports of the enlittment of the best clinic talent in their respective states and countries.

Membership chairmen have been appointed in the various states and countries. Names of these and the clinic chairmen will appear with the list of other officers in this issue of this journal. The membership committee is headed by, Dr. F. W. Stiff, the general chairman, 600 E. Crace St., Richmond, Va., who already reports memberships rapidly coming in. The Hotel head-quarters will be at the Inside Inn, where reasonable rates and excellent accommodations are assured. The Inside Inn generously offers numerous halls and committee rooms free of charge to the various college fraternities and alumni, who are invited to hold their meetings in these rooms. Later reports as to hotel accommodations and prices will appear in a subsequent issue of this journal. The Membership fee is five dollars, which will entitle members to a bound copy of the proceedings. A half rate £ 2.10, is made to bona fidi dental students upon certificates from the Deans of their colleges, and when presented to the state chairmen of the membership committee for endorsement and acceptance, will entitle them to the rights and privileges of the convention. The

essayists are to be, Prof. W. D. Miller, of Berlin, Germany, Dr. F. T. Van Woert, Brooklyn, N. Y. whose subject is, „Is the cemented filling the filling of the future?” Dr. Chas. L. Alexander, of Charlotte, N. C. who will present a paper on, „Gold Inlay”. The other essayists will be announced later. Dr. E. P. Beadles, was elected by the Committee on Organization, in Feb., to go to Europe and extend a cordial invitation to the dental societies and individual dentists to attend the Convention. The following officers were elected by the Committee on Organization at its recent meeting, February 23d. 1907.
